Join us and take part in Children's Day on Saturday 21 June!

Dear Community Groups, Charities and Truro Businesses,

Truro's 'Children's Day' of fun for families returns for the eighth time this summer. We're planning some children's activities and entertainment on Lemon Quay and throughout the city.

To support our activities, we'd like community groups, charities and a few Truro businesses to take part by having a stall on Lemon Quay at Children's Day, featuring a family-friendly activity (which also showcases what you do). We're open to ideas although this could be an art-activity, colouring table, science fun or game.

The stalls on Lemon Quay are in gazebos where you would have a 3m by 1.5m space. You would need to bring your own chair. Set up is from 8am, ready for 9am. Please note that no vehicles are to be left on Lemon Quay from 9am until pack down at 4pm and you would need to leave by 5pm.

If you would like a stall on Lemon Quay at Children's on Saturday 21 June, please email sian.knights@trurobid.co.uk by Friday 30 May with the following information:

1. Name
2. Product(s) intended to sell / display at the event and details of your family friendly activity
3. Public Liability Insurance
4. Landline / Mobile
5. Email Address
6. An image/logo or your organisation

Children's Day will be promoted on www.cornwall365.com and on www.visittruro.org.uk, along with the events section of @visittruro and @trurobid on Facebook. Visit Truro will promote on their Facebook page. We'll also promote the event with a press release, print advertising, social media, marketing to local schools and posters in city centre locations. You will be expected to help promote Children's Day too.

Children's Day is lovely local celebration which is sponsored by Coodes Solicitors. If you get involved, you'll help to create an enjoyable time for families and attract people to stay longer in the city on the day.

Kind Regards

Alun Jones
